Help Arizona students succeed, Join AmeriCorps today!

We’re looking for members across Arizona to help prospective college students and individuals with postsecondary goals and career readiness.

As part of the Arizona Ready for College and Career (ARCC) AmeriCorps program, you’ll help prepare middle school, high school, and nontraditional students and families for education and career success.

**ARCC AmeriCorps Members**

- Assist students and families in navigating K-12 success and postsecondary options
- Assist students with FAFSA, scholarship searches, college applications, and career exploration
- Provide test preparation, workshops, and individual student assistance
- Support all postsecondary paths including: 4-year, 2-year, and career/technical education programs
- Serve in full-time and part-time positions across Arizona

**Benefits Include**

- A bi-weekly living stipend
- Education award (starting at $1,289)
- Professional development funds
- Student loan forbearance and interest repayment for qualifying federal student loans
- Optional health care benefit and childcare assistance (for full-time positions)

*Applicants must be at least 18 years old and pass a background check.*

“*I cherish the opportunity as an AmeriCorps member to have the chance to offer direction to students about to graduate from high school. As a former teacher, I have seen first-hand how education can change the trajectory of a life.*”

Suzanne Johnson, ARCC AmeriCorps Alumna
